

KRESO

Combination of Coal-Tar Derivatives.
(NON-CARBOLIC.)

A STANDARDIZED DISINFECTANT, ANTISEPTIC CLEANSER, DEODORIZER AND PURIFIER

Kreso possesses advantages which make it better and safer than any other material for household disinfecting, and it is preferable to carbolic acid, because it does not burn, to chloride of lime, copperas, etc., because

First. It is safe. In the dilution recommended it is practically non-poisonous, and can therefore be used freely, and is safe to have around. It is not caustic or irritating; it does not attack metals, and therefore does not destroy plumbing; it does not permanently stain washable fabrics.

Second. It is effective. Our laboratory tests require that in a 1% solution it must destroy the most resistant disease-germ (the green pus germ) in one minute. It thus disinfects, cleanses and purifies. It destroys foul odors, not by substituting another, but by destroying the cause of the odor.

Third. It is standardized; always the same. You can depend upon it.

Kreso is particularly valuable in preventing an outbreak of contagious diseases, by destroying infection, cleansing, purifying and promoting sanitation. It is the ideal disinfectant for HOSPITALS, RAILWAY STATIONS, PUBLIC BUILDINGS, SCHOOL ROOMS, BATH-ROOMS, WATER-CLOSETS, URINALS, KITCHEN SINKS, STORE ROOMS, OUT-DOOR HOUSES, GARBAGE BOXES, CESSPOOLS, STABLES, DOG-KENNELS, CAGES, ETC.

For all general disinfecting purposes mix Kreso with water (warm preferred) in the following proportions:

1 tablespoonful Kreso, 3 pints water.
1 pint Kreso, 12 gallons water.
making approximately a 1-to-100 solution.

SAFE AND EASY TO USE.

MRS. BROOKS SAFE.

Believed That She Did Not Sail on the Steamer Columbia.

Waco, Texas, July 25.—Mrs. Willie Brooks of Clifton, wife of a prominent druggist, who was supposed to have perished when the Columbia went down on the Pacific coast, is now believed to be safe. Her husband was in communication with friends here, and they stated that Mrs. Brooks probably changed her route in California, going on to Vancouver by rail. She is, therefore, thought to be safe.

Boston's Old-Home Week.

Special to the Herald. Boston, Mass., July 26.—Boston's old-home week celebration, which is to surpass anything of the kind ever planned by an American community, is but two days away. Already the advance guard of visitors is putting in an appearance, and it is expected the first of the week will find the city entertaining the largest crowd in its history. The program will be ushered in Sunday with appropriate religious and patriotic exercises in many parts of the city. Handsome welcome arches have been erected in Federal. Summer and other prominent streets in the downtown district, public buildings and business houses are decorating with flags, bunting and electric lights and in numerous other ways the city is rapidly donning gala attire in honor of the occasion.

A Blow to Mrs. Eddy.

Concord, N. H., July 25.—The next friends of Mrs. Mary Baker Glover Eddy, the Christian Science leader, who are seeking from prominent Christian Scientists an accounting of Mrs. Eddy's property, gained an important victory in the Merrimack superior court today when Judge Robert N. Chamberlain denied five motions made by counsel for the defendants to the suit. The motions included propositions to limit the scope of the inquiry to be made by the three masters named by the court to decide the matter of Mrs. Eddy's competency and to permit the defendants in the original accounting suit to become parties to the preliminary inquiry as to Mrs. Eddy's competency.

Miles Derden's Condition.

News from Malakoff says Mr. Miles Derden is badly hurt, his head being badly bruised up. Further particulars say that no one was with Mr. Derden and Mr. Mitcham at the time of their difficulty, and therefore there were no eye witnesses to the matter. It is understood that Mitcham made a statement to the officers before he died, but it has not been made public.

CORRECT BUSHELING.

Cleaning, pressing and repairing correctly done. Work and prices guaranteed satisfactory. Doyle Bros., Tailoring Dept. Men's Outfitters. 4t

The many friends in this city of A. P. Wright will be sorry to hear that he is quite ill at Lida, Nev., where he and Mrs. Wright are now located.

Jacksonville has reorganized a good band team and serves notice on Palestine and Tyler that the new team will be after the scalp of all comers.

"COOK WITH GAS."

Palestine property is constantly enhancing in value and the demand for it is increasing. You may be interested in a home close in for \$1,700. Wright & Kendall, Agents.

Mrs. Ben Jackson and daughter and Miss Allie Patrick left last night for Salado, Col., to visit Mrs. Milton Blount. They will be away several weeks.

The best system for saving is to invest in a lot or home and pay for it gradually. We can sell you either. Wright & Kendall would like to sell you.

"COOK WITH GAS."

The Corsicana and Palestine Elks ball teams are playing ball on the local diamond this afternoon. The game was scheduled to be called at 5 o'clock, that all might have an opportunity of attending.

It is stated on good authority that if Oak street and Avenue A are paved a number of new business houses will be built on those thoroughfares. Oak street is rapidly coming to the front as one of the best business streets in the city.

See our window of straw goods, half price. Jones.

Palestine is certainly in the land of watermelons. Larger and better ones were never grown here. Mr. Geo. P. Heath still leads in melons of large size and delicious flavor. There may be others grown somewhere just as good, but there are none in this world better.

You may think Herald ads cost a little more than other ads, but counting what you get for your money it is the cheapest means of advertising offered Palestine people. A Herald ad will reach practically all Palestine readers. To reach them by any other means would cost many times more
